

STUDENT LED CONFERENCES

Student Led Conferences (SLC) will be held from **WEDNESDAY 19th – FRIDAY 21st JUNE** in the junior Collaborative Learning Space in the junior building.

Letters were sent home on Wednesday 5th June with a booking sheet to send back with proposed times (due back on Wednesday 12th). If you have misplaced the form please grab one from the front office or ask Mrs Petschel for one.

Completed forms will be returned to students today with their allocated time highlighted.

If the times do not suit we are more than happy to schedule a time that does suit as we value the process and believe it is a great opportunity to have a discussion with your children about their learning.

Principal's Report from Mr. Coffey

Continuous Improvement

Throughout the school year our dedicated School Council members review various data sets displaying our school performance in a range of areas.

At last night's meeting we reviewed the 2018 Parent Opinion Survey results. We traditionally do this at the end of each year but last year harvest clashed with the timing of our scheduled meeting and we didn't review the results. The number of parents who completed the survey for us was the highest since we became a P-12 College. We had 42 families do the survey which was well up on the average of 35 responses since 2015. The good news is that our school performance improved in 15 of the 19 areas over the 2017 results. Although some of the names of the sections on the survey have changed since the 2015 and 2016 survey it is very clear from the feedback, from those who have completed the survey over the last 4 years that our school is continuing to improve. For example School Improvement has gone from the 7.7th percentile to the 50.6th percentile when ranked against other P-12 schools. School Connectedness was in the 5.1st percentile in 2015 and Student Connectedness was in the 83.5th percentile in 2018.

While we are delighted with the improvement in most areas we are well aware there is much work still to do.

Principal's Report continued.....

First Impressions

The front garden area on Albert Street will be receiving some well-deserved attention over the next few months to improve the aesthetics of the entrance to the school.

School Council have approved the funding of an irrigation system and lawn for the area between the student entrance and the visitor entrance and additional advanced trees.

Our new grounds person, Mr. Denis Huff, is continuing his great work in maintaining and beautifying the school grounds. He has already planted trees adjacent to the assembly hall and "keep an eye out" for more new tree plantings over the next few weeks.

A big thank you to our other parent volunteers who are helping out with mowing the school grounds.

Upcoming Meetings...

The next School Council meeting will be held on Monday the 12th of August at 7:30pm in the multi-purpose building.

The Parents & Friends Meeting will be held on Monday the 22nd of July at 10:00 a.m. in the multi-purpose building.

NAO or NEVER FASHION PARADE

The Year 7/8 DigiTech class have been working exceedingly hard all semester to present a Robot fashion parade next Friday 21st June at 1:30pm in the Collaborative Learning Space.

The skills that the students have developed include:

- * coding
- * following the design process
- * sewing
- * construction
- * catering
- * script writing
- * media production
- * report/article writing
- * teamwork & communication

If you have a spare moment drop in and check it out.

Jump Rope for Heart

Once again the Junior school are participating in Jump Rope for Heart. We will hold our school Jump Off Day on Friday 28th June (Last day of Term 2 at 11.45am on the tennis courts at the school).

Jump Rope for Heart is a fantastic physical activity and fundraising program that has been run by the Heart Foundation for over 35 years. It's a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$75 million for the Heart Foundation's lifesaving work.

It's important you [register your child online](https://jumprope.heartfoundation.org.au/register), so they can receive the full benefits of the program and participate in online fundraising, simply follow the link below to get started.

<https://jumprope.heartfoundation.org.au/register>

During the next few weeks you can share their online fundraising page with family and friends to help raise money for this great cause.

Thank you for supporting the Jump Rope for Heart program!
