

Principal's Report from Mr. Coffey

Travel Safely

Please have a safe holiday if you are travelling and rest up and recover from the winter colds and flus ready for next term. School will finish at 2:30pm this Friday afternoon and resume on Monday the 15th of July.

Staffing Update

Next term we will be without Mrs. Ella Clarke (Miss Wizz) as she will be taking a well-deserved break to spend time to be with her family on Long Service Leave. Unfortunately we received no applicants when we advertised

for a replacement teacher. Fortunately Mr. Leach will be taking the Year 11 English, Mrs. Petschel will be taking the Year 9 English and I will be taking the year 7/8 Humanities for the term.

Mrs. Solly will also be commencing Long Service Leave next term for both terms 3 and 4. Mrs. Solly has been teaching some junior classes, undertaking the Online Literacy and Numeracy interviews and doing individual and small group intervention this year.

We wish both of our colleagues all the best and hope they enjoy their leave.

Upcoming Meetings...

The next School Council meeting will be held on Monday the 12th of August at 7:30pm in the multi-purpose building.

Year 7/8 Humanities Mallee Waterways project presentation - from Miss Wizz

On Monday, the Year 7/8 Humanities class presented their Mallee Waterways assignment, which they have been working on during semester 1, to family, visitors and staff members.

The students made a 3D map of Lake Hindmarsh, Outlet Creek and Lake Albacutya, and a website with information about various locations around the district, including Aboriginal history, pioneer history and facts and figures about the lakes and creek. They created QR codes which were stuck on the map at different locations. Visitors were given iPads which they could use to scan the codes, which then directed them to the relevant information on the website.

The students also planned and served a delicious morning tea to their guests.

This project has been a long time in production, and the students showed excellent persistence in completing it. Not only did they learn more about our local area, they learned skills in project management, evaluating progress and changing expectations, and working together in a group.

Our visitors on Monday were very impressed with the final product, and I was extremely pleased to see the class showing pride in their work.

Thank you to the Rainbow Archives, Wimmera Mallee Pioneer Museum and Wimmera Catchment Management Authority for their assistance in completing this project.

With every good working bee, a celebratory meal is a must. This term's 'Our Space Big Breakfast' was no different. All students gathered on Wednesday morning to enjoy a delicious breakfast in the Multipurpose Room. This would not be possible without the generous support of the Bendigo Bank, Rainbow IGA and the Bow Bakery. The time and effort involved from the staff of the College, many of whom also donated food items, is huge and the breakfast would not happen without you. A final thanks to all the students for providing the fantastic company, and to those who offered their assistance serving and cleaning up. It is most appreciated and makes for a really enjoyable morning together.

Thank you!
