

Principal's Report from Mr Coffey

A Short Break

Now that some type of normality has returned to our school, with all of the students and staff back on-site, I will be taking a short period of Long Service Leave. I will be on leave from Friday the 23rd of October and return to work on Monday the 9th of November. In my absence our ever reliable Assistant Principal Colleen Petschel will be Acting Principal.

Keep up the great work watching out for each other during this exceptional year and I look forward to celebrating our achievements in some way, shape or form between now and the end of the year.

Have Your Say!

The 2020 Parent Survey has been emailed to all of our families who have supplied us with an email address and information regarding the link and PIN have been provided to our other families. All 58 families have been invited to participate in this year's survey. All responses to the survey are anonymous.

The survey will be conducted online, only takes 20 minutes to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones.

If you have not received your survey information please contact Leonie or Michelle at the front office.

The survey closes on Friday the 13th of November and so far we have had 21 families respond giving us a response rate of 36%.

Let's see if we can achieve a 100% response rate this year, like we did in 2018!

Stay Informed

I encourage all parents and students to continue to access the Department of Health and Human Services website for the latest public health information.
