Assistant Principal's Report from Mrs Petschel

Moving forward

It has been fantastic to have a number of year levels back on site this week. The last couple of weeks have been a tad quiet so it is nice to have the sounds of the hustle and bustle of school re-emerging.

Our VCE students are glad to be back which has allowed them to shift their focus from the “what if’s...” to the “let’s get going!” For staff we are in the midst of a couple of transitional weeks which I fondly refer to as the “hybrid stage” - as for many it is a mix of remote learning as well as on-site learning. The dedication, flexibility and empathy of our staff has been beyond incredible.

Thank you

To all parents, carers and the wider school community - thank you for your continued support, encouragement and understanding during this time. You have made the journey a little less bumpy!

Extra Cleaning

As part of the move forward to on-site learning there has been the provision of extra cleaning around the school. One of our industrious cleaners, Pete Bond has been exceedingly busy working throughout the day to ensure our toilets, tables, playground, door handles and other surfaces are cleaned and wiped on a regular basis.

Pete in cleaning action

Hand Sanitizer

In every room (and at every turn) the students have access to hand sanitizer. Mr Smith has been busy with his ingenuity to create a brilliant invention to make using hand sanitizer an adventure for our junior students

Adalyn testing the new hands free sanitiser station

Bubble Tap Buddies

As part of the requirements of on-site learning our bubble taps are not to be used for drinking until further notice. Please make sure that drinker bottles are packed for school. To add a sense of fun and involvement to this situation our junior students have made some very creative faces to bring our “Bubble Tap Buddies” to life!

Mr Smith's invention

The many faces of our Bubble Buddies

Wellbeing

It is essential during this transitional stage to keep an eye on the wellbeing of our students as well as each other (staff & parents/carers). Please take the opportunity to check in on others and ask that mighty powerful question RUOK?

If you have any concerns or questions please do not hesitate to contact the College or use the following link : <https://forms.gle/Y5N5XBPFWzSLnctj8> to post your questions/concerns.

SchoolTV

School Focused Youth Services has very kindly paid for an annual subscription to the valuable parent resource of SchoolTV.

Depression, Anxiety, Cyberbullying, Drugs, Alcohol...

Some of the challenges faced by today's parents.

SchoolTV is a new resource designed to inform and support parents on major issues with contributions from Australia's leading experts.

It's never been more challenging for parents to raise happy, healthy and resilient children. Like never before, parents need to be informed with clear, fact-based information on the many challenges faced by today's youth. Topics such as youth anxiety, depression, self-harm, drug and alcohol use, cyberbullying and many others need clear explanation and guidance.

SchoolTV is a new ongoing resource that is now available to our parents. Each edition will address a major topic with expert interviews, fact sheets, parent quiz, recommended apps, books and much more. SchoolTV aggregates information from many great resources such as BeyondBlue and ReachOut, amongst others. School TV provides a single stream of independent factual information that saves parents time and confusion of searching online across multiple sites for information.

Important Canteen Notice

Until further notice the canteen orders will be provided from the Bow Bakery.

Lunch order days are Mondays, Wednesdays & Fridays

Below is what will be available. Students are to order in the same way.

All orders will need to be in by 9.20 am.

NO LATE ORDERS

The orders will be taken to the bakery and picked up just before lunchtime.

The canteen will **not** be operating at lunch times, but senior students will have access to the sandwich toasters and the microwave.
