Good Luck to Mr Coffey

On Tuesday the students had the opportunity to wish Mr Coffey good luck and all the best as he embarks on his new adventure at Tempy PS in Term 3. There were booklets, cards and numerous interesting photo shopped images as well as a couple of soothing head pats! It was great to see a number of students get up and talk about his time at the College.

Milestones

Did you realise that our office staff have clocked up 85 years of dedicated service to education in Rainbow! Leonie Clarke has been working at the school for 45 years and Michelle Ismay is not far behind her with 40 years service. What an absolutely remarkable effort. Congratulations to them both for their commitment to education at Rainbow P-12 College.

School Review

The school is having a review in term 3 where we look back at our performance and progress over the past 4 years and then use this information to move forward in the planning of our strategic plan for the next 4 years. As part of this process the staff and students have been involved in evaluating the schools performance and highlights over the past 4 years via surveys and discussions. It is now the turn of the parents and wider school community to be involved in the process.

Below is a link to a brief survey that asks a number of questions in regards to what the school does well and what you would like to see the school do more of (or less of) as well as identifying highlights of the past four years.

<https://www.surveymonkey.com/r/ZWCM6WY>

The survey will be open until the second week of Term 3. We value everyone's input so please take the time to fill it out and be involved in shaping education in Rainbow for the next four years!

Leadership report - Weekly roundup continued

Building Works

The scope of works for the building works has nearly been finalised. The enormous infrastructure costs means Wests Paddock is no longer a viable option to be included in the plans. Due to the fact that the Tech Wing is federally funded means it is also excluded from the scope of works. This means that the main focus will be on the administration block (which includes rooms 1-3, the science room and up to room 6), the library and the hall. This week we are selecting a project manager for the project.

Staff Changes

Chelsea Clugston will be returning to do two part days of intervention. Welcome Back.

Cindy Bull will be taking over Fiona Appledore's classes from the start of Term 3. We welcome her into the classroom.

Our Space session

A big thanks to all the students and staff who rolled up their sleeves and got involved in the various activities and tasks to spruce up the school and show that Rainbow P-12 College spirit and pride. Activities ranged from glueing down carpet tiles, rejigging the sandpit, neatening up rooms, cleaning the sand pit trucks and lots more in between!

Legacy Public Speaking Award

We wish Cooper, Phoebe and Nekeisha all the best as they participate in the Legacy Junior public speaking awards tomorrow in Horsham. A report follows on what they are speaking about.

Legacy Junior Public Speaking Award

During term 2, Cooper Stasinowsky, Phoebe Bigham, Nekeisha Bastin and Sharni Lowe have participated in a tutoring program to develop their persuasive writing and public speaking skills. They have each worked on writing a 5 minute speech on a topic relating to social issues. Cooper has looked at the problem of racism in the AFL, Phoebe has written about animal endangerment and extinction, Nekeisha has investigated the fast fashion industry and Sharni has written about homelessness and mental health problems amongst LGBTQIA+ youth. On Friday 25th June, Phoebe, Cooper and Nekeisha will participate in the Legacy Junior Public Speaking Award in Horsham, along with students from other schools in the region. Although Sharni is too young to participate in the competition, she will go along to support the others and experience the event. These students have worked extremely hard during tutoring sessions, in English classes and at home to prepare for this opportunity and they should be very proud of their efforts.

We wish them all the best for tomorrow.

Don't forget the Jump Rope for Heart – Jump Off - Tomorrow 25th June

Once again the Junior school are participating in Jump Rope for Heart. We will hold our school Jump Off Day on tomorrow (Last day of Term 2 at 11.45am on the tennis courts at the school)'

Jump Rope for Heart is a fantastic physical activity and fundraising program that has been run by the Heart Foundation for over 35 years. It's a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$75 million for the Heart Foundation's lifesaving work.

It's important you [register your child online](#), so they can receive the full benefits of the program and participate in online fundraising, simply follow the link below to get started.

Snowy River Campus News Parts 1 & 2

Greetings from the Snowy River Campus (SRC) of the School for Student Leadership (SSL)!!! This week's article is about our Community Learning Project (CLP) presentation which is called "Stress Less"

We are currently in the process of developing a presentation for the SSL Community on our CLP presentation day and can't wait to return to Rainbow to share our work and ideas with the school community. The topics we will be exploring are mental health, good nutrition and physical health.

We will explore these topics through our project by running two Chill Out days. We will run workshops and lessons which we have designed to show how eating well is very important, how physical activity is a good way to relieve stress and why paying attention to our mental health is so important.

Hello from the Snowy River Campus (SRC)!!! Our very last newsletter is about our departure and what we're planning to do when we get back.

Our departure is on the 26th of June, giving us just under a week here. We're all excited to see our families and friends back home but also are going to miss the friends we've made over the past nine weeks. But we are also excited to show everyone our Community Learning Project (CLP) to everyone in Semester 2.

We can't wait to come back and show everyone what we learned while we've been here but until next term but until then, Cya!!!
