

## Leadership report - Weekly roundup

### **THEY'RE BACK**

It is SO GREAT to have the kids back on-site!  
Wednesday was abuzz as both students and staff alike were excited to get back to business!

### **THANKS**

Thanks to all members of our school community (students, parents/carers & staff) who worked exceedingly well as a team to survive Remote learning 5.0. It is always great to see the College motto in action - Together we achieve!

A big thank you must also go to all students, parents & staff who completed the short Remote Learning surveys that went out at the start of the week. We are always looking at ways to improve our delivery and how we look out for each other. We really do value all feedback.

### **OUR MENTAL HEALTH**

Just because we are back on site does not mean that we dial back our focus on mental health. We will continue to maintain our high level of care and concern for all our students and staff. We will always encourage regular check ins and chats.

### **COMMUNICATION**

We are in the process of shifting to **Compass** as our main source for all formal communication with the school community. This means we will be transitioning from using the Skoolbag platform in the next couple of weeks. If you have not connected to Compass now would be a great time. (Class dojo will still be used for classes in the junior school)

### **COVID-19 TRIFECTA**

**In line with the Department of Education operational guidelines**

We will encourage students to :

- Maintain social distancing when possible
- Use hand sanitiser on a regular basis
- Wear masks at all times (see details below)

### **Face masks:**

- \* Secondary school students aged 12 or older must wear a face mask at all times indoors and outdoors when at school
- \* Children under 12 years of age and students at primary school are not required to wear face masks when at school
- \* Face masks are mandatory for all school students aged 12 or older on the buses

### **PARENT SURVEYS**

All families should have received a letter in regards to the 2021 Parent/Carers survey which came with an individual pin number to access the survey. This is your chance to provide the school with important feedback on our performance this year. This feedback will be used to shape our Strategic Plan for the next four years. We are aiming for 100% response rate!

#### **Great Victorian Bike Ride from Tessa Leach**

Hello everyone, we really need to have a meeting next Monday the 2<sup>nd</sup> of August. We were going to have one in previous weeks but lockdown hit.

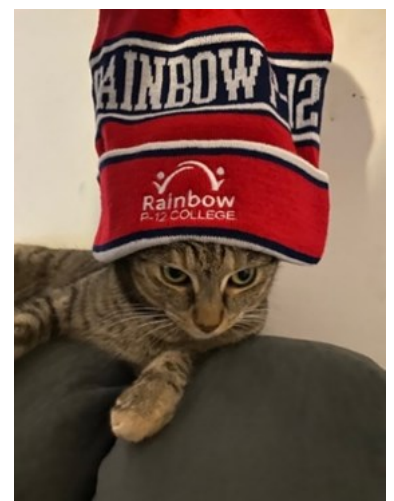

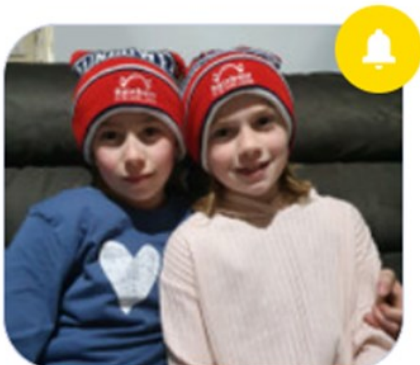

This is very **IMPORTANT**, if you want to be included in the Great Victorian Bike Ride this year you must be at this meeting. It will be at recess so we can figure out numbers.

If you are not at the meeting (unless you have a good reason to be an apology) you will not be included in the ride and will have to pay the extra money for non-early bird access. If you are not able to be at the meeting, please talk to me in advance and I will write down your name.

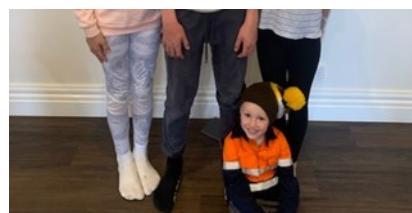

Thankyou.
