We wish all our VCE students sitting exams all the best during this time.

Remember...it is all up there! (Ericka's quote of the century!)

This Friday the SRC has decided to celebrate Halloween with a plethora of activities including the following:

It is the SRC and school's way to say thanks to all students for showing resilience and grit during remote learning.

OUR REVIEW – STRATEGIC PLAN

This week we have been fine tuning the goals that will drive our Strategic Plan for the next four years. Once they have been completed we will share them with the school community. Our aim is to make them as visible as possible and embed them in every facet of what we do. Exciting times ahead!

School for Student Leadership 2022

We are very pleased to have again been accepted into the School of Student Leadership for Term 4 2022, at the Snowy River Campus in Marlo (Eastern Victoria).

We have been offered positions for 3 boys and 2 girls from Year 9 (2022) to attend the 9 week residential camp.

This is a great opportunity for students to meet new people, learn about themselves and experience a different educational setting.

As well as developing a community project to complete back home, students participate in activities designed to help them become productive team members and leaders.

Past students of this program have contributed towards the Rainbow community in a variety of ways, and many have made life-long friends in the process, from all over Victoria.

An expression of interest form has been sent home with all current Year 8 students.

If you are thinking about being a part of the program, please return the form to Miss Wizz by November 5th.
