P-12 SCHOOLING AT ITS BEST!

These photos do not need any captions as the images really do encapsulate all that is wonderful about P-12 schooling.

They make me **so proud** to be involved in a school where students genuinely care for each other regardless of year level.

SCHOOL CAPTAINS FOR 2022

It is with great pleasure that I can announce that the **Senior School Captains** for 2022 will be Gracie Hurlstone & Lachie Staples.

Their application letters were well written and they were both articulate and presented well in the interview. I feel the school will be in good hands with these two students who understand the importance and complexities of taking on a leadership role.

The application process for **Junior School Captain** are underway with students submitting their application letters. The next stage will be the interview stage.

ACTIVITIES DAY

Last Friday the students and staff (particularly Miss Schumann) had an absolutely fantastic day just having FUN! (..and boy did we need it!) Starting the day with a spooky fashion parade, sport and Halloween activities followed by the colour run, the slip & slide and yummy baked potatoes for lunch. The day ended with a cruisy movie or two! A big thanks to Gracie and the SRC and Miss Wedding for organising the day. To all the students who helped out throughout the day and to all the staff that (as usual) rolled up their sleeves and made sure that our kids had a great time.
