PRODUCTION – THE MASON FILES

What a fantastic effort from all involved! The enthusiasm, pride and excitement from the actors, backstage crew, sound and lighting crew and the staff were all definitely on show on Monday & Tuesday of this week.

A big SHOUT OUT! to Ella Clarke & Lis Staples who through a number of Covid outbreaks and remote learning versions persevered to ensure that “the show would go on!”

Thanks to Mal Smith and the HOL team for some innovative props and all the sound effects and lighting. Thanks to all the students who worked so hard to put on such a great show. It takes a lot of courage to perform on stage and we are so proud of your efforts. WELL DONE!

VCAL CAFÉ

The first effort from the VCAL café was a resounding success. The menu of pizzas (6 different types to choose from), Danish pancakes, milkshakes and hot and cold drinks was a huge hit.

The teamwork, organisation and very impressive customer service were all outstanding (one very proud VCAL teacher here!)

The VCAL Café's next venture will be CHRISTMAS IN JUNE featuring a variety of roast meat and veggies. It will be in the last week of term. Exact date TBC!

MOVIE NIGHT

Last Friday the SRC ran a very successful movie night.

The junior students watched TURNING RED (the best movie ever!) while the senior students watched BOY (an acquired taste!). It was a great way to end PJ day and it was also nice to see the students just enjoying each other's company.

Congratulations to Tessa Leach, Senior SRC President for her excellent organisation and her willingness to continually be on the lookout for activities for the students.

FOYER DISPLAY

Please check out the very creative and innovative art on display in the front office foyer. We have some very talented students!

BUILDING WORKS – UPDATE #14 2022

We had a meeting last Tuesday to finalise and endorse the design process stage.

This means that we are preparing for the tender process.

Today (Friday) staff are discussing and planning how the school will operate effectively during the building stage.

COVID UPDATE

The Department only requires students and staff showing symptoms to take RAT tests at the moment.

The school will still be providing RAT tests to families on a on-demand basis for the rest of this term.

Please continue to social distance and use masks if you need. This is a team effort where working together will ensure the best possible protection against the disease.

Close contacts of positive cases no longer need to isolate at home BUT must wear masks at school and RAT test 5 out of the next 7 days.

Thanks to all students, parents and staff who continue to support the school in our endeavour to provide the safest possible environment.

"Handle With Care"

We would like to be able to offer additional support to your child if they are coming to school after a difficult night, morning or weekend. There is no need to share details if you don't want to, but you can send a message "Handle With Care" or "X is a bit fragile today" on Class Dojo or to the school and this will let us know that your child may need extra time, patience or help during the day.

We aim to have all of our students feel safe and valued while they are in our care.

Talk Time

The Talk Time topic for weeks 8 and 9 is

The Funniest Joke You Know

Showcasing Student Work

Blurb for Girl Underground By Morris Gleitzman

When two courageous friends meet at boarding school, they team up and make it their mission to save an innocent family and many others from a cruel horrible detention centre for refugees. They learn that nothing worth working for comes easy. A book of teamwork, courage, mystery, suspense, family, criminals and most importantly, friendship. Read to find out if they can do it.

From Skoolbag to Compass

As a school, we are phasing out the use of the Skoolbag app and moving to using the

Compass app for our school communication. If you need to submit an absence note for your child, you can do so on the Compass app. On your home screen (below left) click on the 'Shortcut' button at the bottom and choose 'Submit an absence'. Next you will choose the student who will be absent (not shown). Complete the details on the next screen (below right) and click "Add attendance note" at the bottom of the screen. You need to do this separately for each child.

The junior school will still continue to use Class Dojo for everyday communication.

Rainbow Cubs & Scouts

Rainbow Cubs & Scouts would like to invite you to our

Bring A Friend Night

Tue 14th June

3:30pm to 5pm

If you are 7.5 years or older, come along for 3 nights for FREE.

If you are an adult and don't want to miss out on the fun, come along or get in touch with Gunner or Tammy Bigham to find out more about how you can be involved.

Please fill out contact & info details when dropping off children.
