Leadership Report / Weekly Roundup

This is one exceedingly proud Acting Principal this week (I don't start the other job until next term!).

The reasons for this excitement and pride can be found in the actions of our wonderful students in the following activities...

FRIDAY 17th June - Year 7-9 Horsham trip.

What a great night, lots of talking, some questionable singing and loads of fun. Mr Leach and I had the privilege of escorting a great bunch of kids to Horsham for bowling and inflatable world in recognition for their outstanding behaviour. It was so wonderful to see kids just being kids and enjoying each other's company in such a positive way!

Monday 20th June - OUR SPACE session

This is a time where we come together as a whole school to instil a sense of pride and ownership in the school environment and work as a team to keep things looking spiffy! It is also a chance to have a shared lunch and continue to develop our sense of community. The enthusiasm, work ethic and teamwork were unbelievable on Monday!

Thursday 23rd June - VCAL "Christmas in June" Roast Lunch.

All I can say about this is WOW! The VCAL students had over 60 orders for the lunch. The meat (Anthony you are a masterchef!!) and veggies were cooked to perfection. The efforts the student put into the lunch was outstanding. They worked exceedingly well as a team (even more impressive as they had a few away), their communication skills were brilliant and from all accounts the meal was delicious. Just so proud!

Calendar

Term 2

Term 3

July

Week 1

Mon 11th First day of Term

Weeks 2-5

Lots of learning and fun in the classroom, no scheduled activities at the moment!

Week 6

August

Wed 7th GAT

Week 10

Mon 12th - Sailing Camp (Yr 9)

Fri 16th

Fri 16th Last Day of Term (2.30 dismissal)

Upcoming Meetings

School Council - Mon 18th July

Parents and Friends

August 3rd - 7.30pm, Webex available

STAFFING NEWS

Emily Cashill has had a baby girl on Tuesday 21st June named Ellery Rose. A HUGE congratulations!

A huge THANKS to Tammy Bigham who has been working in the office since the Queen's Birthday. You have been an absolute life saver.

Thanks to Murphy Leach who helped out with reading and supporting staff in the junior area for the last three weeks.

Nadia Wedding will be going on LSL for the first 4 weeks of Term 3. She will be gallivanting overseas..so safe travels. When Nadia comes back she will take on the role of Acting Assistant Principal for the remainder of 2022.

We also welcome Ella Clarke to the Leadership team. Her enthusiasm and drive will be a welcome addition to the team.

THANK YOU

I would like to take this opportunity to thank the absolutely fantastic staff for their unbelievable efforts this term. We have weathered COVID, the flu, other illnesses and mishaps and some staff shortages. Without hesitation staff have stepped in to fill any voids to ensure that our kids get the best education possible. I am in awe of their dedication and commitment.

HAPPY HOLIDAYS

To all members of the school community I hope everyone gets a chance to have some type of break over the holidays. To rest up, recharge and get ready for another action packed term. There are many adventures to come!

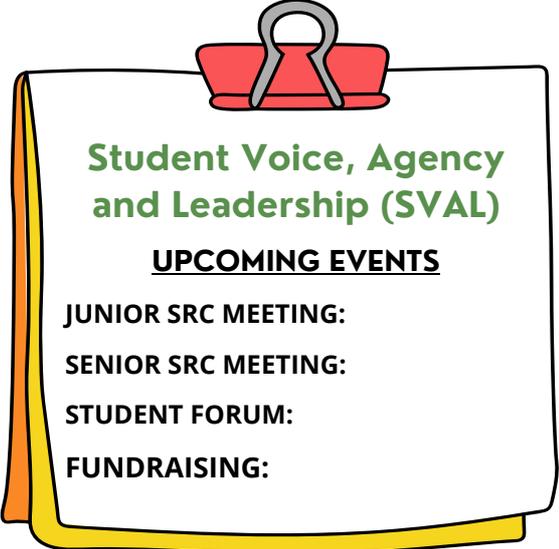

BUILDING WORKS – UPDATE #16 2022

There was a Webex meeting on Thursday after school to discuss the location of the comms room (the room where all the internet and computer system will be housed), how we will recognise and celebrate our indigenous heritage and it was confirmed that the build will be completed in two stages.

COVID UPDATE

We have sent home a couple of boxes of RAT tests for each family for the holidays!

UPCOMING EVENTS

JUNIOR SRC MEETING:

SENIOR SRC MEETING:

STUDENT FORUM:

FUNDRAISING:

Student Forum

It was great to see so many students at our forum on Tuesday morning.

They raised concerns about the condition of the football surface on the oval and the netball/basketball rings, and had lots of questions about the building works.

It was great to hear their very thoughtful questions about how space would be used, what the gardens and grounds might look like and how we would manage classrooms during the building program.

What's been going on around our school?

Showcasing Student Work

In Amazing Art Adventures the class have been learning about Aboriginal art styles. They used dot painting techniques to create these truly beautiful artworks. It has been wonderful to see the creativity and talent coming out of the artroom with this elective run by Mrs Huff and Mrs Solly.

Student Achievements

Above: This week Elsie and Tanner achieved more of their coloured words.

Below: Hendrix has successfully completed the MULTILit program!
Congratulations!

Our Space Session

Our students did an amazing job of cleaning up and tidying many of the areas around the school during Periods 3 & 4 on Monday. Many hands worked together to achieve a great result. Some of the jobs involved gardening, weeding, sweeping, tidying book shelves, sorting out books and getting rid of general rubbish. The VCAL students, along with some other helpers and under the expert guidance of Ms Kruger, prepared a tasty lunch of spaghetti bolognaise for the hungry workers which was greatly appreciated by all. It was wonderful to see such good team work as students worked together on getting our school looking shipshape!

What's been going on around our school?

Showcasing Student Work

In the Grade 4/5 class, our students have been learning about using persuasive language. They had to create a persuasive advertisement to entice people to buy their fictional product.

Here you can see some of their impressive efforts.

NEW!

Introducing the new food transferer

you never need to put up with veggies

how wonderful!

remember only \$59.99 Call 04278973

Fictional Product only

Celebrating NAIDOC Week

NAIDOC week celebrates the history, culture and achievements of Aboriginal and Torres Strait Islander people. It is celebrated by all Australians and is a great opportunity to recognise and learn more about the history and culture of indigenous communities.

NAIDOC stands for National Aborigines and Islanders Day Observance Committee. Its origins can be traced back to the Aboriginal rights movement, when on Australia Day 1938, protestors marched through the streets of Sydney to highlight the status and treatment of Aboriginal and Torres Strait Islander Australians. Today, it is a week-long celebration held in July that consists of range of traditional and contemporary activities.

NAIDOC Week is an important event that helps build positive relationships between Aboriginal and non-Aboriginal people. It enables a deeper understanding of our differences and similarities. NAIDOC week is an opportunity for all Australians to eliminate bias and discrimination by reflecting and reconciling the wrongs of the past to facilitate hope and build a fairer future. Families are encouraged to join in and support young people in learning the significance of NAIDOC Week.

This Special Report offers suggestions on how families can celebrate NAIDOC Week together. We hope you take a moment to reflect on the information offered, and as always, we welcome your feedback. If this raises any concerns for you, a loved one or the wellbeing of your child, please seek medical or professional help.

THE RESILIENCE PROJECT™

In the final part of The Resilience Project's digital series, Hugh shares an important message about allowing our children to experience adversity.

The key to building resilience in our children is allowing them to experience failure, hardship, disappointment etc. As parents, we can be too quick to resolve our children's challenges which can deprive our children of enormous growth opportunities. These typically happen when we experience failure and uncertainty. As parents we should be there for our children when they fail, but not fight their battles for them.

View Part 5 of the series here - Summary <https://theresilienceproject.com.au/parent-and-carer-hub-hugh/>

Thank you for participating in this Parent and Carer Digital Presentation series. You can re-watch the videos and access activities and resources anytime via the Parent & Carer Hub. You can also stay up to date with The Resilience Project news and events by signing up to their Newsletter.
