STAFF TRIP TO WEDDERBURN

On Wednesday 10th August a very enthusiastic bunch of staff jumped on the school bus (at 7am!) to embark on a journey of discovery. We travelled to Wedderburn P-12 College to see their School Wide Positive Behaviour Support framework in action. We were warmly welcomed by Dean Lockhart, the Assistant Principal, who provided an insightful presentation on their SWPBS journey. The Wedderburn staff were very generous with their time during the day (and they fed us well!) and we took lots of photos and came away with a plethora of great ideas. SWPBS is a change in culture and will not happen over night... but our visit to Wedderburn has definitely inspired the staff to embrace the adventure.

LIVIN' SESSION - IT AIN'T WEAK TO SPEAK

Yesterday we had a LIVIN' mental health session for all Year 7-12 students. Al Mitchell's presentation was honest, raw, emotional and insightful. He connected with the students in a way that I have rarely seen. The message of looking after yourself and your mates was very powerful and left a lasting impression on many. Check out their website for more information on their program and message www.livin.org

BUILDING WORKS – UPDATE #21 2022

- Staff met with the architects online to go through the landscaping and garden design.
- The Building Works team also had their monthly project Control Group meeting to ensure that we are working to and meeting all set deadlines and milestones.
- Progress has been made regarding the setting up of our new comms room (where all our telephone and internet connections will run from)

COVID UPDATE

It is important that we maintain our vigilance in this area..not just for COVID but for the flu and other viruses too.

We strongly recommend that all staff and students adhere to the following actions to keep themselves and others safe and protected:

- Wearing masks indoors
- Maintaining social distancing
- Using hand sanitizer on a regular basis

The school has a good supply of masks and RAT tests that are available at any time.

A reminder that if a student is a household contact they must wear masks when indoors at school and undertake daily RAT tests 5 times within the 7 days of isolation of the positive case.

IF YOUR CHILD SHOWS ANY SYMPTOMS OF COVID OR THE FLU PLEASE KEEP THEM AT HOME UNTIL THEY HAVE RECOVERED. Thanks for your support and understanding on this.

AN APOLOGY

We would like to apologise to our new student Dianella for misspelling her name in the newsletter last week!

Student Voice, Agency and Leadership (SVAL)

On Tuesday, representatives of each year level came together to discuss the values that students believe make them better learners, problem areas around the school, and to share ideas about a potential rewards system for the school. It was great to hear so many voices and opinions.

In the end, students agreed that

"Work Hard, Be Kind and Be Resilient"

were good values to use as the values for our SWPBS framework. We will continue to work with a student advisory body on this. Any students who would like to be a part of this advisory group can see Miss Wizz.

HEY VCEs...
WANT TO REDUCE YOUR
WEEKEND HOMEWORK
AND FREE UP TIME TO DO FUN
STUFF?
WE'LL YOU CAN!!

Stay at school each afternoon from 3pm until
5pm. This gives you 2 HOURS HOMEWORK
TIME without those annoying distractions
lurking at home (like your phone, the TV or
even younger siblings!!)

Study Buddies gives you the opportunity to
get lots of uninterrupted homework done
before tea time. If you stay and study 4 times
a week after school, that's potentially 8
wonderful productive homework hours,
freeing up time on the weekend to relax,
avoiding that Sunday night "I haven't finished
my homework for Monday" panic and making
teachers all over the school really happy!

Cluster Day Cultural Performance

On Friday 19th August, primary students will be travelling by bus to Hopetoun P-12 College, for a Cluster Day Cultural Performance entitled

"The Emperor's New Clothes".

After the performance, students will be split into groups to participate in a tabloid sports outside.

We will be leaving around 9.00am from Rainbow and returning at approximately 2.00pm. Students need to be dressed in **full school uniform** (runners allowed). They will also require morning tea, a packed lunch water/drink bottle and their school hat.

To be proactive and ensure the safety of all students and therefore the certainty of future activities most likely occurring, **ALL** cluster school have decided that it is mandatory for students aged 8 and above to please wear a mask.

There is no cost involved.

Could parents please return the permission note that was sent home earlier this week, to Mrs Huff ASAP.

Any queries, please contact Mrs Petschel via the office.
