Leadership Report / Weekly Roundup

THE NEXT TWO WEEKS....

This week sees the end of normal classes for our students in 2022!

Next week we have a transition week where all classes move up a level to get a taste of what 2023 will be like. This runs Monday, Wednesday & Thursday. On Tuesday there is a **student free day** as staff learn more about the Berry Street Educational Model.

On Friday the classes go back to the 2022 format, but it is a time of celebration and fun to wrap up the year.

Then in Week 11 we have our activities week with lots of action, our whole school lunch and many other adventures to be had.

LOST UNIFORM

Golly gosh...we seem to have a plethora of bomber jackets and other clothing that seems to have no owner (or name) at the moment. Please check to see that your child/ren have all their uniform. There will be a lost property table at Presentation Night (although by that stage it may need to have it's own room!!)

THE JOYS OF P-12 SCHOOLING

It is always great to see the connections grow between junior and senior students.

Here we having our Year 10 student (Shekinah!) having as much fun as the Grade 2/3 students with dress up. The junior students really enjoy having the senior kids get involved with their activities and having fun with them. Something that we will always encourage and nurture. A win-win for everyone involved!

BUILDING WORKS – UPDATE #34 2022

This slightly frustrated principal has contacted our sitting State Member of Parliament, Emma Kealy to see if she can help us move the process along a tad faster!

HEALTH UPDATE ...

COVID has definitely decided to make a bit of an unwelcome comeback out in the community. Please be vigilant with ventilation and hand hygiene. The wearing of masks is highly recommended if you have any health concerns. The school still has an unbelievably HUGE supply of masks and RAT tests that are available at any time. **Everyone will get a couple of boxes of RAT tests as early Christmas presents next week!**

If your child is ill, showing signs of a cold or of a sore or tender stomach please keep them home. This is for their health as well as the health of their fellow students and the staff at school.

FISHING SINKERS FOR SALE

The fishing elective students still have sinkers for sale - bead, round, teardrop shape and some with swivels are available. If you would like to purchase any please contact Zach, Jasper, Kane, Riley or Mr Cook to arrange a time to buy. They are a lot cheaper than if you had to buy them in a store. The money made will go towards funding of fishing trips to local areas for the group. Special thanks to Alan Edmonds for all of his assistance with the Fishing Elective and making the sinkers at home.
